<p>Marine licence</p> <p><i>This culture is not covered by exemptions so a licence is required if it is below Mean High Water Spring.</i></p> <p><i>Covers developments out to 200NM.</i></p> <p><i>Charges apply, two hours free consultation</i></p> <p><i>Target Time = 13 weeks after validation of application</i></p>	<p>Licensing of marine activities under the Marine and Coastal access Act (2009). Responsible for screening activities to see if a licence is required.</p> <p><i>The MMO will make marine licensing decisions in accordance with the appropriate marine policy document (marine policy statement and marine plan where adopted). Applicants should consider how their proposal is in accordance with marine plans and the Marine Policy Statement, and document this within an application for an aquaculture facility to the relevant regulator.</i></p>	<p>Marine Management Organisation</p>	<p>Marine Licensing Team</p> <p>0300 123 1032</p> <p>marine.consents@marinemanagement.org.uk</p> <p>https://www.gov.uk/make-a-marine-licence-application#overview</p> <p>https://www.gov.uk/do-i-need-a-marine-licence#aquaculture</p>
<i>Processes and consultees when a marine licence is required</i>			
<p>Environmental Impact Assessment (EIA)</p>	<p>Annex II of the Marine Works (Environmental Impact Assessment) Regulations 2007 as amended. Applications will need screening against the above Annex to check if an EIA is required (mainly sections 1 (f) and (g))</p>	<p>Marine Management Organisation</p>	<p>Marine Licensing Team</p> <p>0300 123 1032</p> <p>marine.consents@marinemanagement.org.uk</p> <p>https://www.gov.uk/marine-licensing-impact-assessments#environmental-impact-assessment</p>
<p>Habitats Risk Assessments (HRA) When an EIA is not required but site falls within a European & Ramsar conservation site.</p>	<p>The MMO consults assess if there are any Likely Significant Effects (LSE) on European sites or Ramsars. If none it can proceed. If an LSE then an appropriate assessment is required under the Offshore Marine Conservation (Natural Habitats, &c) Regulations 2007. This is carried out by the applicant then assessed and conditioned by the Local authority after consulting with NE, JNCC & IFCA.</p>	<p>Natural England, JNCC & IFCA.</p>	<p>Marine Licensing Team</p> <p>0300 123 1032</p> <p>marine.consents@marinemanagement.org.uk</p> <p>https://www.gov.uk/marine-licensing-impact-assessments#HRA</p>

Crown Estate Seabed Lease <i>Extends out to 12 NM.</i> <i>Application No charge</i> <i>Annual rental applies</i> <i>Target time = Without reasonable delay</i>	The Crown Estate does not have a regulatory role. However, a seabed lease is required and can be applied for at any time. If a marine licence has not been obtained then a lease options is available rather than a full lease. This licence only relates to the seabed, but does not confer any rights to fish or shellfish present.
